

## CELLS DEATH TRAPS, ASSERT OFFICIALS

Major Sylvester Again to Urge Improvement of Station Houses.

## POLICEMEN'S LIVES DECLARED IN DANGER

Hardened Criminals Join Chorus of Complaint, Saying Quarters Are Worst in Country.

## Major Sylvester's Views on Police Stations.

"The placing of prisoners in the present ill-adapted station houses and the subsequent removal of them to the Police Court, is in the nature of a duplicate penalty."

The opinion quoted above is that of Major Sylvester, who in his next annual report to the Commissioners again will urge the necessity of obtaining an appropriation for the improvement of the station houses, which have been condemned by the police and health departments and citizens' committees as insanitary and unfit for the habitation of either prisoners or officials.

The subject is not a new one with Major Sylvester or the Commissioners. For years they have urged upon Congress, without result, the necessity of action looking toward the improvement of the station houses.

**Causes Fatal Illness.**  
Strong and hardy members of the police force have succumbed to disease, it is said, by having to make the station houses their quarters. Malaria, typhoid and kindred troubles have resulted from policemen being housed in the first precinct station, which has been condemned by the police surgeons. Some of the officers are so dark as to make necessary the burning of gas in the daytime in order to transact business.

"The Sixth precinct station," says Major Sylvester, "is in need of many alterations in order to make it a suitable place for the confinement of human beings. The brick cells, with their insanitary and repulsive plumbing should be torn out and replaced with steel cells of a modern kind."

**Hardened Criminals Complain.**  
"The captain of that precinct says it is almost inhuman to lock a person up in this station from Saturday until Monday, and hardened criminals who have served in prisons all over the country say that it is the worst place they have ever been in. The whole structure should be torn down."

"There should be constructed a central police station where could be located the police headquarters with all branches of the service concentrated. A modern office building with improved places of confinement for prisoners, an armory, bath, and a detention room for women would add much to the expedition of business in the Police Department."

The Second, Third, and Fourth precinct station houses also come under the condemnation of the head of the Police Department.

## GEORGETOWN LINE NOW SUCCESSFUL

Branch Road's Traffic Is Satisfactory—News of Across Rock Creek.

WASHINGTON TIMES BUREAU, GEORGETOWN, D. C., AUGUST 2.

Since the opening of the branch line of the Baltimore and Ohio railroad from Linden, Md., to Water street the traffic has been most satisfactory.

The G. W. Cissel Milling Company is said to have sent away ten carloads since the road opened last week, besides receiving a quantity of material.

The Columbia Granite and Dredging Company has shipped several carloads, while the concrete works and the District of Columbia Paper Manufacturing Company have sent away a quantity of material.

The railroad people are said to be well pleased over the results of the extension, especially as at the present time only carload lots are handled and nothing smaller.

Frank Fauth, of the Georgetown post-office, has returned to duty after a two weeks' leave of absence.

T. A. Newman, of 3136 M street, has returned from a trip to Berkeley Springs, W. Va.

A movement has been started among the residents and others of Georgetown to have a public convenience station located at the foot of the entrance to the Aqueduct bridge, on the site of a frame building recently demolished.

The building was on property of the Chesapeake and Ohio Canal Company.

A three days' lawn fete for the benefit of the new Catholic Church at Chevy Chase, will open this evening.

The affair will be held in the public library on the Maryland side of the subdivision, and the serving of supper will be a feature. In addition to the meal there will be dancing and other attractions.

B. P. Craig, a former Georgetown boy, and brother to the Rev. Edward Craig, who has been in the Hospital Corps of the army for several years, is here on a visit, expecting to remain until September.

A lawn fete will be held this evening on the grounds of Eldbrooke M. E. Church, Murdock Mill and River roads, Tenleytown, under the auspices of the Epworth League of the church.

**HAMILTON ELIGIBLE TO FLY AT MEETING**  
Aero Club Makes Decision Covering Tourney at Harvard University.

NEW YORK, Aug. 2.—In adopting a resolution denying the sanction of the Aero Club of America to any aviation meet not open to all qualified and licensed aviators, the national council of the Aero Club has disapproved of the action of Glenn H. Curtiss in making representations to the committee in charge of the coming aviation meet at Harvard that have resulted in the threatened exclusion of Charles K. Hamilton from the meet.

Although no names are mentioned those who know say that the action of the club officials taken on this specific case was directed at Curtiss. The effect of the present ruling of the Aero Club will be either to force the Harvard officials to accept Hamilton's entry, or to let the meet without the sanction of the club.

Charles L. Pate, the pastor, who is on vacation.

The series of illustrated lectures conducted in the Anacostia Methodist Episcopal Church on Biblical history, by the Rev. Samuel W. Grafflin, the pastor, has been brought to a close. Sunday next the series will be resumed, with the lecture on the life of Jesus, by Mr. Grafflin, to last from 7 o'clock until 7:45 o'clock each Sunday evening, will be started.

Mounted Sergeant Charles A. Stevens, of the Eleventh police precinct, has gone to New York, and Policeman C. J. P. Weber is serving in his place.

The Congress Heights Public Improvement Association will hold its regular meeting tonight in the town hall, on Alabama avenue.

Mr. and Mrs. W. C. Tighman and son, of 129 Pleasant place, have gone to the Blue Ridge mountains to pass the remainder of the summer.

Many Anacostians are at Piney Point this summer. Among the latest are Harry Green, Joseph Webb, and Benjamin Mundell.

George Skidmore, of Nichols avenue, has gone to Colonial Beach, where he will select a cottage for the summer vacation of his wife and himself.

The Sunday afternoon services for men on Fairview, Good Hope road, under the auspices of the united churches of Anacostia, will be concluded next Sunday afternoon, when the Rev. Samuel W. Grafflin, the pastor of the Anacostia Methodist Episcopal Church, will deliver the sermon.

The members of the Eleventh police precinct have been notified that the inspection of uniforms and equipment will take place at the local station Thursday afternoon, at 4 o'clock.
